MADE EASY

# ELEMENTS

Our Elements Furniture range is proudly Australian made, manufactured in a commercial grade, hard wearing laminate, with ABS shock proof edging. We are pleased to be able to offer a 20 year warranty for domestic applications. With sizing available in 100mm increments, there are endless configuration options, along with an extensive colour range on offer to complement your décor. If you are looking for a desk, bookcase, filing or storage solution, Elements has everything you need to achieve an efficient and functional Home Office layout.

# FEDERATION

House your television, AV equipment, DVD's, books and display items in our locally produced Federation Entertainment Units and Bookcases. These units are made from either Tasmanian Oak which can be stained in a variety of colours, or in a painted finish in either white or off-white. Choose your length and height in 100mm increments to achieve a neat fitting look while properly housing all your equipment.

# PARAGON

Our exclusive Paragon Entertainment Unit range, also Australian made, is manufactured in a commercial grade, hard wearing laminate, with fifteen colours available. Choose your length and layout to accommodate your specific AV requirements. Combine open equipment areas, glass doors (which do not obstruct your remote control signal), DVD drawers, open drawers, swing doors and a range of wall mounted hutch options. Paragon offers a range of stylish and contemporary entertainment storage, tailor-made, to suit your space.

# CHAIRS

Home & Office Made Easy is proud of its extensive range of chairs. With access to the best chair components and materials on the market, we supply only the highest-quality chairs, as demonstrated by the AFRDI 'Blue Tick' status for a number of our most popular seating products.
