BOOKCASE ACCESS WARNING

Our Federation Bookcase range is locally hand crafted from beautiful Tasmanian Oak timbers, offering maximum storage and classic style. Utilising both solid and veneered board, the Federation ranges provide stability and longevity without compromising their timeless design.

Choose from traditional or modern trims finished in stained Tasmanian oak or white catalysed lacquer finishes. Our bookcases are free standing enabling a 'built in' look while maintaining the flexibility of future relocation.

STYLE		
SCOTIA	<p>3 STEP TRADITIONAL Adds 90mm to width & 60mm to height of bookcase</p> 	<p>2 STEP TRADITIONAL Adds 50mm to width & 40mm to height of bookcase</p>
